<input type="checkbox"/> 42	Anchor pin	8	702 527

Materials not contained in the kit are listed in *italics* under the "You will need" section in each experiment.

You will also need:

For all experiments: 2 rechargeable AA batteries (1.2-volt, type HR6/KR6)

You will need the following things in order to be able to conduct the experiments: different light sources (such as a portable light, LED light, desktop lamp, flashlight, etc.), transparencies (transparent sheets)
